HAIR EXTENSIONS

Hair Extensions are one of the biggest things to happen to the hairdressing industry in the last few years. Using the best quality human hair, these versatile extensions offer a high quality, long lasting and cost effective solution for anyone looking to improve body or add length to their own hair.

At Hair by Linda we offer two cutting edge extension systems suited to different lifestyles and budgets.

Great lengths
100% Remy human hair extensions

With super fast, state of the art application, an extensive range of colours that will match any shade, and minimal impact on your own hair, these easy to maintain extensions allow you to achieve a look that you never thought possible.

hairtalk
extensions

Salon professionals worldwide are choosing the exclusive ultra-thin adhesive extension system hairtalk®. The superior quality Remy human hair coupled with hairtalk's selection of non-damaging, hypoallergenic adhesive bands result in discreet and comfortable hair extensions that blend flawlessly and invisibly with natural hair.
